

RANDRIAMIARISOA HENINTSOA LUCAS

FULLSTACK JAVASCRIPT / MOBILE DEVELOPER

Passionate about web and mobile development, I am a developer with over a year of experience, particularly in the field of web and mobile development. I am currently pursuing a Master II in Computer Science and Telecommunications. I enjoy learning, experimenting, and taking on new challenges, with a particular interest in Artificial Intelligence and innovative technologies. I am looking to join a new team where I can leverage my technical skills to contribute to meaningful projects, take on new challenges, and further develop my professional experience while continuing my academic journey toward earning my engineering degree.
